MARCH 2025

(data as of 31 Mar 2025)

Indicative NAV :

1103.5

The Seven Absolute Return Program is a long / short multi asset class program (Stocks Indices & Government Bonds).

The investment process is based on a proprietary momentum analysis of three different types of input : price momentum, risk momentum & macro momentum. The program aims to deliver absolute returns. The data from June 5, 2009 to March 14, 2019 refers to the UCITS Seven Absolute Return Fund – I share and to the Seven Absolute Return Momentum Index since March 15, 2019.

Evolution of the performance of the program since June 5, 2009

Analysis of iso-profit & Omega ratio

Iso-profit : The program's historical probability of posting strictly greater-than-zero performance over a given horizon
Omega ratio : Ratio of the weighted gains of the program, to the weighted losses of the program, over a given horizon

Please note that past performance is not an indication of future performance. Consequently, investment decisions must not be based primarily on past performance: other items outlined in the factsheet for each UCITS must be considered. The key investor information documents and the UCITS prospectuses presented may be obtained from Seven Capital Management on written request sent to info@seven-cm.com or from the company's website: www.seven-cm.com. Lastly, the taxation to which any investment in UCITS units or shares is subject depends on the individual circumstances of each investor. As such, investors are advised to consult their tax advisers. Document for information purposes only and not contractually binding. For further information please refer to the Prospectus, available for french, english, german, spanish and italian speakers on our website: www.seven-cm.com. In Switzerland, the Fund appointed as representative Oligo Swiss Fund Services SA, Av. Villamont 17, 1005 Lausanne, Switzerland, Tel : +41 21 311 17 77, Email : info@oligofunds.ch. The fund's payment service in Switzerland is the Helvetische Bank.
